75 IN THE PARTY

SECOND BOOSTER TRIP TO WEST PART OF COUNTY FRIDAY.

MUD ROADS DRAWBACK

Rain in Northwestern Part of County Caused Abandonment of Part of Route—Meet With Good Reception.

Seventy-five strong, the boosters for the white way dedication started for the western part of the county Friday morning shortly after 9 o'clock. Accompanying the party were 15 members of the band.

The party arrived at Clearmont at 10:10 and at Burlington Junction shortly after eleven. The party took dinner at the Wabach hotel at the Junction. Telephone messages were to the effect that there had been heavy rains in the western part of the county and they were running through much mud, but were having little trouble in getting through. The party were in Quitman at 1:20 and still going. Literature was distributed in each of the towns passed through and the band played a number of selections at each place.

From Quitman to Skidmore, where the party arrived shortly after 2 o'clock, the roads were dusty. From Skidmore the party were to go to Graham and Maitland and then home by way of Bolckow and Barnard. That part of the route to Elmo and Braddyville was cut out on account of the condition of the roads.

If the reception the tourists are meeting on their trip is any indication there will be a record breaking crowd at the white way celebration.

Eighteen cars were in the party owned by the following: E. C. Curfman, Will Phares, Sewell & Carter (2 cars), Dr. Jesse Miller, R. P. Hosmer, F. P. Reuillard, E. E. Williams, W. J. Montgomery, Mason & Wilderman, S. H. Kemp, U. S. Wright, Edwin Wallace, Paul Sisson, J. C. Lanning, G. L. Wilfley, Joseph Jackson and S. G. Gillam.

PLANS STATE FIRE INSURANCE.

The Result of Charles G. Revelle's Investigation Within Two Weeks.

A Jefferson City despatch of Thursday says: Charles G. Revelle, insurance commissioner, is working out a tentative plan of state fire insurance which he will urge the state to adopt in the event the fire insurance controversy is not settled. Mr. Revelle expects to have the rough draft of his plan for state insurance finished within two weeks. It will take legislative enactment and possibly a constitutional amendment to put it into effect. Although the fire insurance agents have protested vigorously that state insurance was not feasible or practical, Mr. Revelle doesn't agree with them. He has been investigating the matter carefully and has been convinced that it is practical. The results of his investigation will be set forth in a tentative plan for state insurance.

Right now the insurance controversy is at a standstill in the state. The suits brought against the companies by Attorney General Barker have been submitted in briefs. An opinion from the supreme court is expected soon. Until that decision from the court is had and the time limit for the referendum, June 22, has expired, no further action will be taken by the state department.

If the controversy is not settled then it is predicted that the insurance department will take steps to compel the companies either to resume business in the state or get out entirely.

A LUCKY ACCIDENT.

Mr. and Mrs. M. Goodson and Daughter of Ravenwood Turned Over in Their Car.

This week's Ravenwood Gazette tells of an accident that befell Colonel and Mrs. M. Goodson and their daughter, Miss Frankie, Wednesday, just after they had started to Maryville in their car, a Ford. When they reached the farm of Charles Bailey they struck a high culvert that bent the hounds that connect with the steering wheel. Colonel Goodson was not aware of what had happened and continued his journey until he started down the next hill, when the car suddenly started for the fence. It was impossible for him to guide it and before he could stop the car it reached the bank at the side of the road and turned turtle. Fortunately, the occupants landed between the seats and were able to crawl out with only a few slight bruises. They phoned for assistance and were hauled back to Ravenwood with only a broken wind shield and an injured steering gear. Surely, a fortunate accident.

MAKE TRUST FUND

DONORS WOULD MAKE THE FUND AVAILABLE FOR IMMEDIATE USE.

PETITION CIRCULATED

Efforts Being Made to Place Carl Wright Fund in Hands of Trustees to Be Used as Necessity Demands.

What shall be done with the money now on hand known as the Carl Wright fund? There is about \$500 in this fund that was raised by the citizens of Maryville. The following is a statement from a number who gave toward that fund and what they are in favor of doing:

"Inasmuch as the money raised by the citizens of Maryville for the purpose of providing medical treatment for Carl Wright cannot be used for the purpose intended, and inasmuch as there is a general desire on the part of the donors that the money thus raised shall be expended for the benefit of the said Carl Wright, who is a minor, therefore, we, whose names are here attached, being donors to said fund, direct that said money now on deposit in the Real Estate bank as 'The Carl Wright Fund' be placed in the custody of George B. Baker, E. E. Williams and Mrs. A. R. Perrin to be used as shall be needed for the comfort and needs of the said Carl Wright, including funeral expenses in case of his decease. In case of a vacancy in the above named custodians, the remaining two will fill it.

"Any donors to said fund who are not satisfied with the above provided disposition of the money will have his or her pro rata share of the amount contributed refunded by making application to the cashier of the Real Estate bank within thirty days of this publication." Signed by George L. Wilfley, Berney Harris, C. C. Corwin, T. J. Carl, Joseph Jackson, Sr., James B. Robinson, C. H. John, Price & McNeal, N. Schumacher, L. E. Forsyth and others.

SIMONEIG FUNERAL SATURDAY.

Services Will Be Held Saturday Morning at 9 o'clock at St. Patrick's Church in Clyde.

The funeral services for Mrs. Catherine Simoneig, whose death occurred Thursday morning at her home in Clyde, will be held at 9 o'clock Saturday morning at St. Patrick's Catholic church in Clyde. Burial in St. Columba cemetery. Services will be conducted by Rev. Father Frowin, pastor of St. Benedict's church.

Mrs. Simoneig passed peacefully away after a short but severe illness. She was a pioneer resident of Nodaway county. She was born at Laidach, Austria, May 30, 1847. Her maiden name was Catherine Rogers. She came to St. Joseph, Mo., in 1869. On the 26th day of May, 1872, she was married to John Simoneig, one of the first settlers of Conception. Their marriage took place at St. Mary's church in Maryville, the ceremony being performed by the renowned Rev. Father Power. Mrs. Simoneig was highly esteemed for her many amiable qualities. Her kind and charitable character renders her demise a distinct loss to the Clyde community. She is survived by two brothers, Matthew Rogers of St. Joseph and Joseph Rogers of Gold Creek, Mont., and two sons and three daughters: J. P. Simoneig of Lansford, N. D.; Joseph Simoneig of Alexander, N. D.; Mrs. J. J. King of North St. Paul, Minn.; Mrs. George Bickett of Conception Junction, and Miss Elizabeth Simoneig at home.

TO REPEAT ITSELF

HISTORY OF PAST CLEAN-UP USED AS ARGUMENT FOR PRESENT.

CIVIC MEETING JUNE 12

Effort to Be Made for Maryville to Deck Herself in Her Sunday Clothes in Time for White Way Celebration.

What has been done, can be done again.

It has been related upon good authority that Maryville cleaned up eight years ago, the time of the location of the Normal school.

Enthusiastic citizens even declare there was not enough dirt left in the town to plant a hill of potatoes.

History is about to repeat itself.

Maryville is to shine up her face and deck herself in her bravest apparel for the opening of the Great White Way.

A pretty big undertaking? Yes, but an easy one after all. Just get to work, "you in your small corner and I in mine," and the thing is done.

The civic meeting for June 12 will be held Thursday evening in the First M. E. church. The Maryville band is to have a part in the meeting. The concert usually held on the square will be transferred to the church.

All that is best in Maryville will combine to make this meeting a big success.

KING FUNERAL SERVICES.

President of National Bank of Burlington Junction Laid to Rest Thursday Afternoon.

The funeral services for J. J. King, the well known banker and landowner of Burlington Junction, who died Tuesday evening, were held Thursday afternoon at the M. E. church at that place and were conducted by the pastor, Rev. L. C. Sappenfield. Interment was made in Lamar cemetery northwest of Burlington Junction.

Levi King of Cantrell, Ill., a brother, and Frank Merrill of Minneapolis, a stepson, of the decedent, arrived in time for the funeral service, also Charles Plunkett of Hardy, Neb.

Jacob J. King was born in Sangamon county, Ill., December 15, 1832. Since the year 1851 he has made his home in Northwest Missouri, living first in Gentry county, but since 1866 in Nodaway county, locating on a farm west of Burlington Junction. Eight years ago he built a beautiful residence in the Junction and had lived there since, excepting periods spent in California. He was past 80 years old at the time of his death. He was a successful financier and was president of the First National bank of Burlington Junction at the time of his death.

Elected Cousin of Frank Owens.

Geo. B. Baker, a member of the Board of Managers of State hospital No. 2 at St. Joseph attended a meeting of the board at St. Joseph Thursday. John T. Minor was elected steward for two years from Sept. 1 and the present steward, George Jones was retained as special supervisor of extensive improvements now under construction. Mr. Minor is a wealthy farmer owning 1,000 acres of land east of St. Joseph stands closer to the governor than any man in St. Joseph. Mr. Minor is a cousin of Frank Owens of this city. Mrs. Mary E. Miller was re-elected matron for the coming two years.

Fined for Disturbing Peace.

The county school fund will be \$100 richer as the result of a trial held before Justice of the Peace M. C. Noland at Guilford Thursday, when Henry Lovett was fined that amount for disturbing the peace of Ruth Beahm by making insulting proposals to her in the public highway. The state was represented in the trial by Prosecuting Attorney Geo. P. Wright, and John Dawson was the attorney for the defense.

DELEGATION HERE.

Hopkins After State Line Road and Skidmore After the Rock Port Highway.

Many appeared before the county highway commission on Thursday afternoon to urge the commissioners to select their road. All of the members of the commission, John Clary, E. H. Bainum and S. H. Conlin, were in attendance at the meeting.

Hopkins, Pickering and Bedford came with the biggest delegation that has as yet been before the commission. There were sixty automobiles in the party to bring the people here from these towns, and there were 200 people in the delegation. Hopkins and these towns want the state line road. They are not after the Grant City road, but probably would take that highway if they cannot get the state line road. Burlington Junction, Clearmont and Braddyville and Clarinda are putting up a determined effort to secure the state line road, and while the commission want to recognize Hopkins and Pickering, the road men have doped it out that the latter towns would get the Grant City road.

Skidmore came to the city with a big delegation, too, for the county highway either to Rock Port or Oregon. Skidmore wants a highway and she doesn't care which one it is. But the Skidmore delegation are figuring on Rock Port at the present time. Their road is to go straight west of Maryville into Green township, then down to Skidmore and on into Fairfax and Rock Port. Fairfax is working for the Maryville road via Skidmore.

The Skidmore delegation was composed of Col. Dan Baker, H. W. Montgomery, J. F. Kellogg, W. R. Linville, Aaron Linville, C. E. Owens, Wm. J. Skidmore, M. A. Sewell, Henry Barrett, Bert Garnett, George Patterson, Clyde Wright, Isaac Tyson, George Manchester, Yuba New, John M. Carter and three sons, John Mahan, Albert Logan, Neal Montgomery, John Owens, and Mr. and Mrs. R. A. Walker and daughter.

The Hopkins party that visited the commission follows: M. C. Owens, Wm. Shinabargar, C. R. Goodson, A. E. McMaster, J. F. Robb, H. B. Griffith, O. Mosby, E. C. Wolfers, Sr., F. C. WOMAN ENDS LIFE

MRS. JEFF GRAVES WAS DESPONDENT OVER DEATH OF RELATIVES.

CUT VEINS WITH RAZOR

Found Two Hours Afterwards, Attempts Made to Save Her Life But in Vain—Burial Was Friday P. M.

Suffering from a nervous breakdown and despondent over the death of her brother and mother, Mrs. Jeff Graves attempted suicide at her home east of Burlington Junction Wednesday morning by severing the veins in her wrists and at a place on her neck with a razor. She was found two hours later quite a distance from the house by her husband and sister, Mrs. W. E. Nicholas, who has been staying with her.

On account of the repairs being made at the central office at the Junction, it was impossible to phone for a physician and Ralph Yates came to that town after Dr. Dean. When Dr. Dean arrived, Mrs. Graves was unconscious and it required some time to resuscitate her. Several stitches were necessary to close the deep wounds inflicted by the sharp instrument.

Mrs. Graves gradually failed, notwithstanding all that was being done for her, and her death occurred Friday morning at 1 o'clock.

Mrs. Graves' brother, William Ferguson, committed suicide by shooting himself at his mother's home near Burlington Junction last February, and the death of her mother Mrs. L. C. Ferguson, occurred later. Mrs. Graves, who was about thirty years old, is survived by her husband and a little daughter, Cleo.

The funeral services were held at 4 o'clock Friday afternoon at the Christian church in Burlington Junction, and were conducted by Rev. W. H. Rust.

GIANTS WON AND LOST.

Second Game of Normal Season Went to Athletics, While the Cubs Lost the Third 8-3.

In the third game of the Normal league the Giants won from the Cubs by the score of 8 to 3. Adams started the twirling for the Cubs, but was replaced by Simmons in the third inning. Simmons was steady and pitched a good game until the seventh, but allowed two runs to cross the plate in the lucky inning.

The pitching of Burch for the Giants was the main feature of the game. Three hits were all that was made off of his delivery and he caused eight men to strike at imagination.

Batteries: Cubs, Adams, Simmons and Hosman. Giants: Burch and Wogan.

In the second game of the series, the Athletics walloped the Giants with a score of 8 to 6. Both teams played a good game, although they outclassed the Giants in pitching. Ham, the tall lengthy pitcher for the Athletics, had a little the best on his rival, Chris, during the entire game allowing only 5 hits, struck out 10 men and allowed no bases on balls. Chris made 5 hit at the wind. Nine hits were made off of Chris.

Dane Fagans, first baseman for the Giants, failed to materialize and Alec Powers was substituted. Alec is no lightweight, but came through with the goods just the same. The way he stopped those bee-liners which came his way won him a place in the hearts of the fans. However, Alec says that he can play ball.

A game is scheduled this afternoon between the Cubs and the Athletics. Everybody is invited to attend these games. It will be a good chance for the fans of Maryville to see some good clean baseball.

BARNARD ITEMS.

The Campbell brothers are doing a rushing business these warm summer days, having sold a number of automobiles in the past week. We have three firms represented in Barnard and automobiles are getting almost as thick as rigs in this part of the county.

The Decoration Day services were well attended Sunday at the cemetery. Rev. Dillinger gave the address, after which the graves of all the old soldiers were flagged and decorated.

Reverend Royston and family will visit at Cosby, Mo., next week and attend the sale to be held by Mrs. Royston's father. Reverend Royston also has a sister living there.

Mr. John Rasco and wife have returned from Excelsior Springs, Mo., and are feeling much better.

Mr. Fred Stalling returned to Barnard for a few days' visit from St. Louis, where his wife is being treated at one of the hospitals.

The Chautauqua is a common theme here at present.

The Methodist church is certainly beautiful on the inside, having been newly papered and varnished. Reverend Royston is pastor of this church and is pushing the enterprise.

There will be a Children's Day program rendered at the M. E. church Sunday evening.

Dutch colors and designs prevailed throughout for decoration, and card playing featured mainly in the entertainment. The prizes were awarded to Miss Mary Herwick and Mr. Ivan Gorton. After the eighth game at cards and during the serving, Miss Bertha Kirch and Miss Theresa Yehle favored the guests with a number of beautiful duets, with Miss Helen Lehr as accompanist. Communication

What a Farmer Says.

We have been requested to print the communication of a farmer near Ravenwood which was in this week's Ravenwood Gazette:

"I notice that at the meeting of the assessors of the different townships of our county recently held at the court house in Maryville, the assessors present decided to appraise pure bred cattle for taxable purposes, at from \$60 to \$150 per head. I should like to know whether they get their authority or power to make any distinction in the class of cattle, other than as to ages.

"If they have concluded they have such powers, why did they not apply such ruling to horses, sheep, swine and all domestic animals? I understand that stock is valued at a per cent of its actual cash value on the first day of June of each year. A pure bred cow or steer are worth no more on the open market than a grade cow or steer, quality being considered, and that is the standard of value in the stock markets of our country.

"You remember Governor Major's campaign cry was, 'keep down your taxes,' and it seems that each year the assessors are anxious to do as some people in office higher up request of them—get your valuations higher. If our valuations were twice what they have been, the court no doubt would continue to levy the limit. You don't know of an instance where the levy is less than the limit do you?

"Mr. Assessors, I would suggest that you use your best judgment and equalize values as best you can, and if they must be raised let those above you shoulder the responsibility.

"If I have to stand for any such unjust taxation, I shall go out of the cattle business." A Farmer.

YOU'LL GET THE HABIT TOO

There are hundreds of well dressed men and young men who buy all their clothes here—men who demand quality and correctness above everything. And they all come back—our friendship has been doubly strengthened because they cannot only get complete clothes satisfaction, but also **More for their Clothes-Money** than they can get anywhere else. You'll get the habit too after you get your first suit here. Every sale we make is meant to give you one hundred per cent satisfaction. And no sale is complete or final until you're sure it's right.

Why Is It?

Because we do just what we agree to—we sell you suits for \$10, \$12.50, \$15 and \$18.50 that others get \$12, \$15, \$18 and \$22.50 for. **Why not try ours and be satisfied?**

If you believe in success and want it, our clothes will help you get it—for they're that kind. They'll put you in the class of successful — prosperous men—among surroundings that mean success. **HART, SCHAFFNER & MARX**, famous "quality tailors," have put up for us an exceptional line of success-carrying clothes this season. They're all-wool of course. **Absolutely trustworthy in Materials, Coloring and Tailoring**, and of styles not only correct but of unusual distinction. Furthermore they're **Tailored to Fit**.

You can get these good clothes in any models which are fashionable this year from the **Extreme Snappy Types** that young men want, to the more **Conservative Models** that business men generally prefer. **They're all here**—come and let us show you what a great improvement one of these new style Hart, Schaffner & Marx suits would make in your appearance.

A splendid showing of spring **Shirts, Underwear, Hose and Hats** is awaiting you here too.

COME IN AND SEE THEM

TRIPLE TRAGEDY AT OMAHA

Three Are Victims in Battle Between Father and Stepson.

TWO MEN DIE IN FIGHT.

Woman Wounded in Arm and Through the Body—John Jacobson Shoots Divorced Wife and Son, Charles McBride—Fifteen Shots Are Fired.

Omaha, June 6.—While defending his mother from attack by John Jacobson, her divorced husband, who was hidden in a closet, Charles McBride, thirty-two years old, shot and killed his stepfather and was himself shot dead by Jacobson, who used his fast ebbing strength to pull the trigger. Mrs. Lucy McBride, who obtained her divorce from Jacobson three weeks ago, was shot through the body and left arm. She is in the St. Joseph's hospital, where surgeons say her condition is critical.

The shooting occurred about midnight in the flat occupied by Mrs. McBride and her son, Charles, at 714 South Sixteenth street, upstairs.

About fifteen shots were fired. Persons in adjoining apartments, aroused by the shooting, hurried to the scene and called the police when they saw what had happened.

In one corner of the reception room Mrs. McBride lay moaning in agony. A bullet had broken her left arm above the elbow and other wounds made her helpless.

In the kitchen John Jacobson was prostrate on the floor, his head in a pool of his own blood. He held a revolver tightly in his right hand, which was doubled under him.

Behind an upturned table that was splintered with bullets was Charles McBride, shot through the head just below the ear. He was crouched on his knees, as if he had been fighting behind the sheltering table. Both men were dead when the police came and powder smoke still filled the small apartment.

WILSON TALKS WITH CHINDA

No Suggestion for Arbitrating Land Difficulty Yet Made.

Washington, June 6.—President Wilson had an informal talk with Viscount Chinda. He had explained earlier that he did not expect to make any official reply to the Japanese ambassador, but would discuss the Tokyo note orally.

The president let it be known that there was much matter for discussion in the Japanese notes, but that none of the documents thus far exchanged by the two governments had in themselves suggested a solution of the land law difficulty. He indicated that the negotiations would proceed slowly and carefully with a view to obtaining a frank expression of opinions by the two nations. Sooner or later, it was indicated, the meaning of the federal laws on naturalization would have to be determined by the courts, though the initiative might have to be taken by Japanese residents, as the government could not institute proceedings. No suggestion for arbitrating the difficulties has thus far been made, it was learned authoritatively.

MRS. MAE EVANS IN JAIL

Arrest Woman on Charge of Murder of South Dakotan.

Sioux Falls, S. D., June 6.—Mrs. Mae Evans, one of the principals in the recent tragedy in a Sioux Falls boarding house, was arrested on the charge of having murdered Dr. Edward Lockhart Moore, state veterinarian and instructor in the state agricultural college at Brookings. The arrest was made at the hospital where the woman has been a patient since firing two bullets into her own head at the time of the death of Dr. Moore. She has recovered to such an extent that, following her arrest, she was removed to the county jail.

MASHER ACCOSTS WRONG "KID" IN POLICE MATRON

Joplin, Mo., June 6.—Miss Verne Goff, Joplin's young police matron, made her first arrest in a campaign she started recently against street "mashers," when Harry Miller of Monett, Mo., accosted her on the street with a flippant remark. "Hello, kid," said Miller. "you are under arrest," said Miss Goff, showing her star. "I'll just march you to jail."

Auto Burned at Pickering.

Pickering had an unusual fire Wednesday evening when Theodore Gray's car caught fire from the prestolite tank, as Mr. Gray was about to start for his home two miles northwest of town. Mr. Gray and everybody near the car fled when the flames flashed, thinking the gasoline tank had caught on fire and would be exploded soon. But the car burned up to the front wheels and the tank still held the gasoline, and there was a can of coal oil in the front seat of the car that did not burn. The car was an old model, with gasoline and water tanks under the hood. The car could have been saved if those who stood by and watched it burn had understood the cause.

WILL HUNT DOWN ALL LOBBYISTS

Special Committee Decides to Extend Its Inquiry.

SMOOT DRIVEN INTO A RAGE.

Insinuation He Represents Mormon Church and Sugar Companies Draws Angry Denial From Utah Senator. Investigation End Not in Sight.

Washington, June 6.—The senate "lobby" investigating committee decided to extend its present inquiry into a sweeping investigation of all organized efforts that have been made to influence action upon legislation of any kind now pending before congress or under consideration in the recent past.

Questions as to the interest the Mormon church holds in sugar and woolen factories in Utah brought about a lively clash between Senator Smoot and Democratic members of the committee. Senator Smoot said the church held a small amount of stock in the Utah-Idaho Sugar company and in the Knight Woolen Mills company at Provo, but he resented questions by Senators Reed and Walsh that he thought carried insinuations that he represented the interests of the Mormon church at Washington.

"Here in Washington, I represent all the people of Utah," he said sharply. "I don't represent Mormon, or Jew, or Gentile, black or white, Methodist or Presbyterian."

Senator Reed said he had not meant to insinuate that Smoot was the representative of the Mormon church.

"Don't you in a way represent the church's stock, within the meaning of the investigation?" asked Walsh.

"I do not," retorted Senator Smoot. "No more than you do."

To Pass on Literature.

Senators Smoot, Mark Smith, Shafroth and Williams testified at the afternoon session. They produced new bundles of literature sent out by various organizations and individuals. The investigating committee finally decided that it would have to pass on this literature and determine whether or not it was "misleading" or would have "pernicious effect."

Members of the committee agreed that even though the raising of money for publicity campaigns might be legitimate, the issuing of false statements or misleading public documents would be an "insidious attempt" to influence the public and members of congress.

That detectives in some cases have been used to shadow members of congress, in the interest of certain legislative legislation, is a point that Senator Cummins will endeavor to debate. He asked Senator Smoot whether the latter knew of any such activity. Senator Smoot said that he had "heard of it," but could give the committee no information. Senator Cummins declined to state what further witnesses would be produced or to indicate the nature of the detective work that has been done.

Senator Smoot gave the committee the names of many persons who had called upon him on tariff subjects. He said he had taken no part personally in the organization of any fight against free sugar; and he did not know of the existence of a "lobby," or the use of money further than as public advertisements indicated it.

"Tariff Callers" Summoned.

The decision of the committee to broaden the scope of the inquiry, determined upon after several senators had added to the testimony already given tending to show that well organized and vigorous work is being done by commercial interests upon the sugar, wool and other tariff issues. The committee decided to subpoena practically all persons thus far mentioned by senators, as amongst their "tariff callers," and to learn the exact nature of all organized work that is being directed toward influencing any members of congress upon any subject.

FOUR DROWN IN FRAZER

Government Orders Scows to Quit Running Until River Recedes.

Edmonton, Alberta, June 6.—Caught in the swirling waters of the Frazer river Grand Canyon, a scow belonging to Grand Trunk Pacific railway contractors was split in two and four of its crew of eight men drowned. The remaining four, after a desperate struggle with the waters, reached shore. P. J. St. John, Newton Kennedy, Harold Dickson and Aaron Karlip, who lost their lives, all were experienced and well known river men.

It was reported that another quartet of river men had drowned several miles farther up the canyon when their raft was wrecked.

As a result of the numerous fatalities in Frazer river during the last week, the government has ordered all scows to cease running until the waters have abated.

Two Fatally Hurt When Diner Derails

Little Rock, June 6.—Miss Archie Dickson of Chicago and H. P. Rivers of Hartshorne, Okla., were fatally hurt when a dining car attached to a west-bound Rock Island train left the rails and plunged into a ditch near Bevil's Bluff, Ark. The accident was attributed to a "kink" in the rails, caused by heat. The diner was the only car derailed.

75 IN THE PARTY

SECOND BOOSTER TRIP TO WEST PART OF COUNTY FRIDAY.

MUD ROADS DRAWBACK

Rain in Northwestern Part of County Caused Abandonment of Part of Route—Meet With Good Reception.

Seventy-five strong, the boosters for the white way dedication started for the western part of the county Friday morning shortly after 9 o'clock. Accompanying the party were 15 members of the band.

The party arrived at Clearmont at 10:10 and at Burlington Junction shortly after eleven. The party took dinner at the Whatch hotel at the Junction. Telephone messages were to the effect that there had been heavy rains in the western part of the county and they were running through much mud, but were having little trouble in getting through. The party were in Quitman at 1:20 and still going. Literature was distributed in each of the towns passed through and the band played a number of selections at each place.

From Quitman to Skidmore, where the party arrived shortly after 2 o'clock, the roads were dusty. From Skidmore the party were to go to Graham and Maitland and then home by way of Bolckow and Barnard. That part of the route to Elmo and Braddyville was cut out on account of the condition of the roads.

If the reception the tourists are meeting on their trip is any indication there will be a record breaking crowd at the white way celebration.

Eighteen cars were in the party owned by the following: E. C. Curfman, Will Phares, Sewell & Carter (2 cars), Dr. Jesse Miller, R. P. Hosmer, F. P. Reuillard, E. E. Williams, W. J. Montgomery, Mason & Wilderman, S. H. Kemp, U. S. Wright, Edwin Wallace, Paul Sisson, J. C. Lanning, G. L. Willey, Joseph Jackson and S. G. Gillam.

PLANS STATE FIRE INSURANCE.

The Result of Charles G. Revelle's Investigation Within Two Weeks.

A Jefferson City despatch of Thursday says: Charles G. Revelle, insurance commissioner, is working out a tentative plan of state fire insurance which he will urge the state to adopt in the event the fire insurance controversy is not settled. Mr. Revelle expects to have the rough draft of his plan for state insurance finished within two weeks. It will take legislative enactment and possibly a constitutional amendment to put it into effect. Although the fire insurance agents have protested vigorously that state insurance was not feasible or practical, Mr. Revelle doesn't agree with them. He has been investigating the matter carefully and has been convinced that it is practical. The results of his investigation will be set forth in a tentative plan for state insurance.

Right now the insurance controversy is at a standstill in the state. The suits brought against the companies by Attorney General Barker have been submitted in briefs. An opinion from the supreme court is expected soon. Until that decision from the court is had and the time limit for the referendum, June 22, has expired, no further action will be taken by the state department.

If the controversy is not settled then it is predicted that the insurance department will take steps to compel the companies either to resume business in the state or get out entirely.

A LUCKY ACCIDENT.

Mr. and Mrs. M. Goodson and Daughter of Ravenwood Turned Over in Their Car.

This week's Ravenwood Gazette tells of an accident that befell Colonel and Mrs. M. Goodson and their daughter, Miss Frankie, Wednesday, just after they had started to Maryville in their car, a Ford. When they reached the farm of Charles Bailey they struck a high culvert that bent the hounds that connect with the steering wheel. Colonel Goodson was not aware of what had happened and continued his journey until he started down the next hill, when the car suddenly started for the fence. It was impossible for him to guide it and before he could stop the car it reached the bank at the side of the road and turned turtle. Fortunately, the occupants landed between the seats and were able to crawl out with only a few slight bruises. They phoned for assistance and were hauled back to Ravenwood with only a broken wind shield and an injured steering gear. Surely, a fortunate accident.

MAKE TRUST FUND TO REPEAT ITSELF

DONORS WOULD MAKE THE FUND AVAILABLE FOR IMMEDIATE USE.

PETITION CIRCULATED

Efforts Being Made to Place Carl Wright Fund in Hands of Trustees to Be Used as Necessity Demands.

What shall be done with the money now on hand known as the Carl Wright fund? There is about \$500 in this fund that was raised by the citizens of Maryville. The following is a statement from a number who gave toward that fund and what they are in favor of doing:

"Inasmuch as the money raised by the citizens of Maryville for the purpose of providing medical treatment for Carl Wright cannot be used for the purpose intended, and inasmuch as there is a general desire on the part of the donors that the money thus raised shall be expended for the benefit of the said Carl Wright, who is a minor, therefore, we, whose names are here to attached, being donors to said fund, direct that said money now on deposit in the Real Estate bank as 'The Carl Wright Fund' be placed in the custody of George B. Baker, E. E. Williams and Mrs. A. R. Perrin to be used as shall be needed for the comfort and needs of the said Carl Wright, including funeral expenses in case of his decease. In case of a vacancy in the above named custodians, the remaining two will fill it.

"Any donors to said fund who are not satisfied with the above provided disposition of the money will have his or her pro rata share of the amount contributed refunded by making application to the cashier of the Real Estate bank within thirty days of this publication." Signed by George L. Willey, Berney Harris, C. C. Corwin, T. J. Parl, Joseph Jackson, Sr., James B. Robinson, C. H. John, Price & McNeal, N. Schumacher, L. E. Forsyth and others.

SIMONEIG FUNERAL SATURDAY.

Services Will Be Held Saturday Morning at 9 o'clock at St. Patrick's Church in Clyde.

The funeral services for Mrs. Catherine Simoneig, whose death occurred Thursday morning at her home in Clyde, will be held at 9 o'clock Saturday morning at St. Patrick's Catholic church in Clyde. Burial in St. Columba cemetery. Services will be conducted by Rev. Father Frowin, pastor of St. Benedict's church.

Mrs. Simoneig passed peacefully away after a short but severe illness. She was a pioneer resident of Nodaway county. She was born at Laidach, Austria, May 30, 1847. Her maiden name was Catherine Rogers. She came to St. Joseph, Mo., in 1869. On the 26th day of May, 1872, she was married to John Simoneig, one of the first settlers of Conception. Their marriage took place at St. Mary's church in Maryville, the ceremony being performed by the renowned Rev. Father Power. Mrs. Simoneig was highly esteemed for her many amiable qualities. Her kind and charitable character renders her demise a distinct loss to the Clyde community. She is survived by two brothers, Matthew Rogers of St. Joseph and Joseph Rogers of Gold Creek, Mont., and two sons and three daughters: J. P. Simoneig of Lansford, N. D.; Joseph Simoneig of Alexander, N. D.; Mrs. J. J. King of North St. Paul, Minn.; Mrs. George Bickett of Conception Junction, and Miss Elizabeth Simoneig at home.

Here From Louisiana.

Mr. Frank Bryan of Ocean Springs, La., arrived in Maryville Friday noon on his annual visit to his parents, Mr. and Mrs. James N. Bryan, and sister, Mrs. T. L. Wilderman, and family.

Mrs. John Snapp returned from a visit in Kansas City with her daughters, Misses Pearl and Bertha Snapp.

TO REPEAT ITSELF

HISTORY OF PAST CLEAN-UP USED AS ARGUMENT FOR PRESENT.

CIVIC MEETING JUNE 12

Effort to Be Made for Maryville to Deck Herself in Her Sunday Clothes in Time for White Way Celebration.

What has been done, can be done again.

It has been related upon good authority that Maryville cleaned up eight years ago, the time of the location of the Normal school.

Enthusiastic citizens even declare there was not enough dirt left in the town to plant a hill of potatoes.

History is about to repeat itself. Maryville is to shine up her face and deck herself in her bravest apparel for the opening of the Great White Way.

A pretty big undertaking? Yes, but an easy one after all. Just get to work, "you in your small corner and I in mine," and the thing is done.

The civic meeting for June 12 will be held Thursday evening in the First M. E. church. The Maryville band is to have a part in the meeting. The concert usually held on the square will be transferred to the church.

All that is best in Maryville will combine to make this meeting a big success.

KING FUNERAL SERVICES.

President of National Bank of Burlington Junction Laid to Rest Thursday Afternoon.

The funeral services for J. J. King, the well known banker and landowner of Burlington Junction, who died Tuesday evening, were held Thursday afternoon at the M. E. church at that place and were conducted by the pastor, Rev. L. C. Sappenfield. Interment was made in Lamar cemetery northwest of Burlington Junction.

Levi King of Cantrell, Ill., a brother, and Frank Merrill of Minneapolis, a stepson, of the decedent, arrived in time for the funeral service, also Charles Plunkett of Hardy, Neb.

Jacob J. King was born in Sangamon county, Ill., December 15, 1832. Since the year 1851 he has made his home in Northwest Missouri, living first in Gentry county, but since 1868 in Nodaway county, locating on a farm west of Burlington Junction. Eight years ago he built a beautiful residence in the Junction and had lived there since, excepting periods spent in California. He was past 80 years old at the time of his death. He was a successful financier and was president of the First National bank of Burlington Junction at the time of his death.

Elected Cousin of Frank Owens.

Geo. B. Baker, a member of the Board of Managers of State hospital No. 2 at St. Joseph attended a meeting of the board at St. Joseph Thursday. John T. Minor was elected steward for two years from Sept. 1 and the present steward, George Jones was retained as special supervisor of extensive improvements now under construction. Mr. Minor is a wealthy farmer owning 1,000 acres of land east of St. Joseph stands closer to the governor than any man in St. Joseph. Mr. Minor is a cousin of Frank Owens of this city. Mrs. Mary E. Miller was re-elected matron for the coming two years.

Fined for Disturbing Peace.

The county school fund will be \$100 richer as the result of a trial held before Justice of the Peace M. C. Noland at Guilford Thursday, when Henry Lovett was fined that amount for disturbing the peace of Ruth Beahm by making insulting proposals to her in the public highway. The state was represented in the trial by Prosecuting Attorney Geo. P. Wright, and John Dawson was the attorney for the defense.

DELEGATION HERE.

Hopkins After State Line Road and Skidmore After the Rock Port Highway.

Many appeared before the county highway commission on Thursday afternoon to urge the commissioners to select their road. All of the members of the commission, John Clary, E. H. Bainum and S. H. Conlin, were in attendance at the meeting.

Hopkins, Pickering and Bedford came with the biggest delegation that has as yet been before the commission. There were sixty automobiles in the party to bring the people here from these towns, and there were 200 people in the delegation. Hopkins and these towns want the state line road. They are not after the Grant City road, but probably would take that highway if they cannot get the state line road. Burlington Junction, Clearmont and Braddyville and Clarinda are putting up a determined effort to secure the state line road, and while the commission want to recognize Hopkins and Pickering, the road men have doped it out that the latter towns would get the Grant City road.

Skidmore came to the city with a big delegation, too for the county highway either to Rock Port or Oregon. Skidmore wants a highway and she doesn't care which one it is. But the Skidmore delegation are figuring on Rock Port at the present time. Their road is to go straight west of Maryville into Green township, then down to Skidmore and on into Fairfax and Rock Port. Fairfax is working for the Maryville road via Skidmore.

The Skidmore delegation was composed of Col. Dan Baker, H. W. Montgomery, J. F. Kellogg, W. R. Linville, Aaron Linville, C. E. Owens, Wm. J. Skidmore, M. A. Sewell, Henry Barrett, Bert Garrett, George Patterson, Clyde Wright, Isaac Tyson, George Manchester, Yuba New, John M. Carter and three sons, John Mahan, Albert Logan, Neal Montgomery, John Owens, and Mr. and Mrs. R. A. Walker and daughter.

The Hopkins party that visited the commission follows: M. C. Owens, Wm. Shinabargar, C. R. Goodson, A. E. McMaster, J. F. Robb, H. B. Griffith, O. Mosby, E. C. Wolfers, Sr., F. C. G. West, L. White, Albert L. Sheley, E. A. Miller, G. Bonar, B. Nicholson, Carl Burke, George Ulmer, Jr.

From Bedford, Ia., the delegation was composed of H. R. Reynolds, W. E. Crum, Jr., M. M. Campbell, William Killien.

Pickering was represented by the following: Roy Wolfers, J. A. Porterfield, H. L. Rutherford, J. S. Bosch, J. L. Neal, Stant Garten, F. M. Wallis, Charles Garten, Dr. J. R. Heryford, J. F. WOMAN ENDS LIFE

MRS. JEFF GRAVES WAS DESPONDENT OVER DEATH OF RELATIVES.

CUT VEINS WITH RAZOR

Found Two Hours Afterwards, Attempts Made to Save Her Life But in Vain—Burial Was Friday P. M.

Suffering from a nervous breakdown and despondent over the death of her brother and mother, Mrs. Jeff Graves attempted suicide at her home east of Burlington Junction Wednesday morning by severing the veins in her wrists and at a place on her neck with a razor. She was found two hours later quite a distance from the house by her husband and sister, Mrs. W. E. Nicholas, who has been staying with her.

On account of the repairs being made at the central office at the Junction, it was impossible to phone for a physician and Ralph Yates came to that town after Dr. Dean. When Dr. Dean arrived, Mrs. Graves was unconscious and it required some time to resuscitate her. Several stitches were necessary to close the deep wounds inflicted by the sharp instrument.

Mrs. Graves gradually failed, notwithstanding all that was being done for her, and her death occurred Friday morning at 1 o'clock.

Mrs. Graves' brother, William Ferguson, committed suicide by shooting himself at his mother's home near Burlington Junction last February, and the death of her mother Mrs. L. C. Ferguson, occurred later. Mrs. Graves, who was about thirty years old, is survived by her husband and a little daughter, Cleo.

The funeral services were held at 4 o'clock Friday afternoon at the Christian church in Burlington Junction, and were conducted by Rev. W. H. Rust.

GIANTS WON AND LOST.

Second Game of Normal Season Went to Athletics, While the Cubs Lost the Third 8-3.

In the third game of the Normal league the Giants won from the Cubs by the score of 8 to 3. Adams started the twirling for the Cubs, but was replaced by Simmons in the third inning. Simmons was steady and pitched a good game until the seventh, but allowed two runs to cross the plate in the lucky inning.

The pitching of Burch for the Giants was the main feature of the game. Three hits were all that was made off of his delivery and he caused eight men to strike at imagination.

Batteries: Cubs, Adams, Simmons and Hosman. Giants: Burch and Wogan.

In the second game of the series, the Athletics walloped the Giants with a score of 8 to 6. Both teams played a good game, although they outclassed the Giants in pitching. Ham, the tall lengthy pitcher for the Athletics, had a little the best on his rival, Chris, during the entire game allowing only 5 hits, struck out 10 men and allowed no bases on balls. Chris made 5 hit at the wind. Nine hits were made off of Chris.

Dane Peagans, first baseman for the Giants, failed to materialize and Alec Powers was substituted. Alec is no lightweight, but came through with the goods just the same. The way he stopped those bee-liners which came his way won him a place in the hearts of the fans. However, Alec says that he can play ball.

A game is scheduled this afternoon between the Cubs and the Athletics. Everybody is invited to attend these games. It will be a good chance for the fans of Maryville to see some good clean baseball.

Has Large Chorus.

Prof. Landon reports a large attendance in the chorus class which was organized yesterday. In all there were about seventy-five or eighty voices. Prof. Landon believes that a hundred or more will be enrolled by next Thursday.

Gave Reading in Assembly.

Prof. Harry A. Miller gave a very interesting and entertaining reading to the students in assembly this morning. The selection was taken from "The Shepherd of the Hills," by Harold Bell Wright.

About one hundred and fifty of the Normal students are taking the county examinations this morning.

BARNARD ITEMS.

The Campbell brothers are doing a rushing business these warm summer days, having sold a number of automobiles in the past week. We have three firms represented in Barnard and automobiles are getting almost as thick as rigs in this part of the county.

The Decoration Day services were well attended Sunday at the cemetery. Rev. Dillinger gave the address, after which the graves of all the old soldiers were flagged and decorated.

Reverend Royston and family will visit at Cosby, Mo., next week and attend the sale to be held by Mrs. Royston's father. Reverend Royston also has a sister living there.

Mr. John Rasco and wife have returned from Excelsior Springs, Mo., and are feeling much better.

Mr. Fred Stalling returned to Barnard for a few days' visit from St. Louis, where his wife is being treated at one of the hospitals.

The Chautauqua is a common theme here at present.

The Methodist church is certainly beautiful on the inside, having been newly papered and varnished. Reverend Royston is pastor of this church and is pushing the enterprise.

There will be a Children's Day program rendered at the M. E. church Sunday evening.

This club was organized a few years ago, before the young daughters in the club had made their debut. The initial letters of the club's name stand for something known only to its members. The coming of Mrs. Dudley on a visit was the signal for more meetings than usual and several more are to be held for her. The members were all present at Mrs. Wilfley's home Thursday. They are Mrs. John W. Herren, Mrs. Wray Dudley, Mrs. Howard McCommon, Mrs. C. D. Leffler, Miss Helen Leffler, Mrs. W. C. Ellison, Miss Susie Ellison, Mrs. R. L. McDougal, Miss Margaret McDougal, Mrs. G. L. Wilfley.

Social at Arbor Crest.

Miss Anna Blatter was the hostess of a lawn party Wednesday evening at "Arbor Crest," the home of her parents, Mr. and Mrs. Theodore Blatter. Punch was served on the porch upon the arrival of the guests. The rain, which the farmer welcomed so heartily, caused a general rush for shelter, but did not by any means put a damper on the merriment. Dutch colors and designs prevailed throughout for decoration, and card playing featured mainly in the entertainment. The prizes were awarded to Miss Mary Herwick and Mr. Ivan Gorton. After the eighth game at cards and during the serving, Miss Bertha Kirch and Miss Theresa Yehle favored the guests with a number of beautiful duets, with Miss Helen Lehr as accompanist. All had a very enjoyable evening and complimented their hostess upon their departure. Those present were Misses Katherine and Theresa Yehle, Agatha, Bertha and Gertrude Kirch, Anna McNellis, Hilda Lehr, Mayme Linneman, Mary Schaeffer, Katherine Zech, Clara Stein, Elizabeth Wilmes, Theresa Shonley, Mary Herwick, Ellen Fisher, Clara Dignan and Veronica Knobbs. Messrs. Louis Gram, Edward Goetz, Paul and Fred Thompson, Ivan Gorton, Paul Basford, Will and Edward Linneman, Will Stein, Hubert Zech, Will Knobbs and Will Blatter.

Miss Gladys Ford went to Kansas City Friday morning to spend the summer with friends. Miss Ford has been making her home with Mr. and Mrs. S. H. Kemp while she finished her high school course, and since her mother, Mrs. J. S. Ford, left for a visit in the Panama.

Communication

What a Farmer Says.

We have been requested to print the communication of a farmer near Ravenwood which was in this week's Ravenwood Gazette:

"I notice that at the meeting of the assessors of the different townships of our county recently held at the court house in Maryville, the assessors present decided to appraise pure bred cattle for taxable purposes, at from \$60 to \$150 per head. I should like to know where they get their authority or power to make any distinction in the class of cattle, other than as to ages.

"If they have concluded they have such powers, why did they not apply such ruling to horses, sheep, swine and all domestic animals? I understand that stock is valued at a per cent of its actual cash value on the first day of June of each year. A pure bred cow or steer are worth no more on the open market than a grade cow or steer, quality being considered, and that is the standard of value in the stock markets of our country.

"You remember Governor Major's campaign cry was, 'keep down your taxes,' and it seems that each year the assessors are anxious to do as some people in office higher up request of them—get your valuations higher. If our valuations were twice what they have been, the court no doubt would continue to levy the limit. You don't know of an instance where the levy is less than the limit do you?

"Mr. Assessors, I would suggest that you use your best judgment and equalize values as best you can, and if they must be raised let those above you shoulder the responsibility.

"If I have to stand for any such unjust taxation, I shall go out of the cattle business." A Farmer.

TRIPLE TRAGEDY AT OMAHA

Three Are Victims in Battle Between Father and Stepson.

TWO MEN DIE IN FIGHT.

Woman Wounded in Arm and Through the Body—John Jacobson Shoots Divorced Wife and Son, Charles McBride—Fifteen Shots Are Fired.

Omaha, June 6.—While defending his mother from attack by John Jacobson, her divorced husband, who was hidden in a closet, Charles McBride, thirty-two years old, shot and killed his stepfather and was himself shot dead by Jacobson, who used his fast ebbing strength to pull the trigger. Mrs. Lucy McBride, who obtained her divorce from Jacobson three weeks ago, was shot through the body and left arm. She is in the St. Joseph's hospital, where surgeons say her condition is critical.

The shooting occurred about midnight in the flat occupied by Mrs. McBride and her son, Charles, at 714 South Sixteenth street, upstairs. About fifteen shots were fired. Persons in adjoining apartments, aroused by the shooting, hurried to the scene and called the police when they saw what had happened.

In one corner of the reception room Mrs. McBride lay moaning in agony. A bullet had broken her left arm above the elbow and other wounds made her helpless.

In the kitchen John Jacobson was prostrate on the floor, his head in a pool of his own blood. He held a revolver tightly in his right hand, which was doubled under him.

Behind an upturned table that was splintered with bullets was Charles McBride, shot through the head just below the ear. He was crouched on his knees, as if he had been fighting behind the sheltering table. Both men were dead when the police came and powder smoke still filled the small apartment.

WILSON TALKS WITH CHINDA

No Suggestion for Arbitrating Land Difficulty Yet Made.

Washington, June 6.—President Wilson had an informal talk with Viscount Chinda. He had explained earlier that he did not expect to make any official reply to the Japanese ambassador, but would discuss the Tokyo note orally.

The president let it be known that there was much matter for discussion in the Japanese notes, but that none of the documents thus far exchanged by the two governments had in themselves suggested a solution of the land difficulty. He indicated that the negotiations would proceed slowly and carefully with a view to obtaining a frank expression of opinions by the two nations. Sooner or later, it was indicated, the meaning of the federal laws on naturalization would have to be determined by the courts, though the initiative might have to be taken by Japanese residents, as the government could not institute proceedings.

No suggestion for arbitrating the difficulties has thus far been made, it was learned authoritatively.

MRS. MAE EVANS IN JAIL

Sioux Falls, S. D., June 6.—Mrs. Mae Evans, one of the principals in the recent tragedy in a Sioux Falls boarding house, was arrested on the charge of having murdered Dr. Edward Lockhart Moore, state veterinarian and instructor in the state agricultural college at Brookings. The arrest was made at the hospital where the woman has been a patient since firing two bullets into her own head at the time of the death of Dr. Moore. She has recovered to such an extent that, following her arrest, she was removed to the county jail.

**MASHER ACCOSTS WRONG

Joplin, Mo., June 6.—Miss Vernie Goff, Joplin's young police matron, made her first arrest in a campaign she started recently against street "mashers," when Harry Miller of Monett, Mo., accosted her on the street with a flippant remark. Auto Burned at Pickering.

Pickering had an unusual fire Wednesday evening when Theodore Gray's car caught fire from the prestolite tank, as Mr. Gray was about to start for his home two miles northwest of town. Mr. Gray and everybody near the car fled when the flames flashed, thinking the gasoline tank had caught on fire and would be exploded soon. But the car burned up to the front wheels and the tank still held the gasoline, and there was a can of coal oil in the front seat of the car that did not burn. The car was an old model, with gasoline and water tanks under the hood. The car could have been saved if those who stood by and watched it burn had understood the cause.

WILL HUNT DOWN ALL LOBBYISTS

Special Committee Decides to Extend Its Inquiry.

SMOOT DRIVEN INTO A RAGE.

Insinuation He Represents Mormon Church and Sugar Companies Draws Angry Denial From Utah Senator. Investigation End Not in Sight.

Washington, June 6.—The senate "lobby" investigating committee decided to extend its present inquiry into a sweeping investigation of all organized efforts that have been made to influence action upon legislation of any kind now pending before congress or under consideration in the recent past.

Questions as to the interest the Mormon church holds in sugar and woolen factories in Utah brought about a lively clash between Senator Smoot and Democratic members of the committee. Senator Smoot said the church held a small amount of stock in the Utah-Idaho Sugar company and in the Knight Woolen Mills company at Provo, but he resented questions by Senators Reed and Walsh that he thought carried insinuations that he represented the interests of the Mormon church at Washington.

"Here in Washington, I represent all the people of Utah," he said sharply. "I do not represent Mormon, or Jew, or Gentile, black or white, Methodist or Presbyterian."

Senator Reed said he had not meant to insinuate that Smoot was the representative of the Mormon church.

"Don't you in a way represent the church's stock, within the meaning of the investigation?" asked Walsh.

"I do not," retorted Senator Smoot, "no more than you do."

To Pass on Literature.

Sensors Smoot, Mark Smith, Shafroth and Williams testified at the afternoon session. They produced new bundles of literature sent out by various organizations and individuals. The investigating committee finally decided that it would have to pass on this literature and determine whether or not it was "misleading" or would have "pernicious effect."

Members of the committee agreed that even though the raising of money for publicity campaigns might be legitimate, the issuing of false statements or misleading public documents would be an "insidious attempt" to influence the public and members of congress.

That detectives in some cases have been used to shadow members of congress, in the interest of certain legislative legislation, is a point that Senator Cummins will endeavor to debate. He asked Senator Smoot whether the latter knew of any such activity. Senator Smoot said that he had "heard of it," but could give the committee no information. Senator Cummins declined to state what further witnesses would be produced or to indicate the nature of the detective work that has been done.

Senator Smoot gave the committee the names of many persons who had called upon him on tariff subjects. He said he had taken no part personally in the organization of any fight against free sugar; and he did not know of the existence of a "lobby," or the use of money further than as public advertisements indicated it.

"Tariff Callers" Summoned.

The decision of the committee to broaden the scope of the inquiry, determined upon after several senators had added to the testimony already given tending to show that well organized and vigorous work is being done by commercial interests upon the sugar, wool and other tariff issues. The committee decided to subpoena practically all persons thus far mentioned by senators, as amongst their "tariff callers," and to learn the exact nature of all organized work that is being directed toward influencing any members of congress upon any subject.

FOUR DROWN IN FRAZER

Government Orders Scows to Quit Running Until River Recedes.

Edmonton, Alberta, June 6.—Caught in the swirling waters of the Frazer river Grand canyon, a scow belonging to Grand Trunk Pacific railway contractors was split in two and four of its crew of eight men drowned. The remaining four, after a desperate struggle with the waters, reached shore. F. J. St. John, Newton Kennedy, Harold Dickson and Aaron Karlip, who lost their lives, all were experienced and well known river men.

It was reported that another quarter of river men had drowned several miles farther up the canyon when their raft was wrecked.

As a result of the numerous fatalities in Frazer river during the last week, the government has ordered all scows to cease running until the waters have abated.

Two Fatally Hurt When Diner Derails
Little Rock, June 6.—Miss Archie Dickson of Chicago and H. P. Rivers of Hartshorne, Okla., were fatally hurt when a dining car attached to a west-bound Rock Island train left the rails and plunged into a ditch near Bevil's Bluff, Ark. The accident was attributed to a "kink" in the rails, caused by heat. The diner was the only car derailed.
